As a... I need... So that...

As an instructor/staff

I need to be able to view a list of our current students
and program alumni

So that I can sort their skill sets for potential jobs

As a local business

I need to be included on the Gig Central email list

So that I can post gigs to the Seattle Central
students/alumns

As a Seattle Central Web Dev student or alumni

I need access to the browsable list of gigs

So that I can look and apply for gigs while I'm taking classes and after I graduate the program.
